

Rangatahi Ātea Fund

Fund available for Youth-Led initiatives focused on positive outcomes for Raahui Pookeka Rangatahi (Huntly Young People)

The **Rangatahi Ātea Fund (RAF)** has been established through the **Huntly CAYAD Project**. Letari Tepana is the **Huntly CAYAD Coordinator** and the programme focusses on reducing the drug-related harm to young people. You can apply for up to **\$500** per project.

To be eligible for this fund your project must:

- Be Youth-Led
Young people are involved in the design, delivery and evaluation of the project
- Benefit Huntly Young People
Outcomes must aim to benefit Huntly Young People directly
- Aim to address an AoD (Alcohol and Other Drugs) related issue
Project needs to incorporate an identified AoD issue relevant to Huntly Young People
- Have the support of two local Community Groups/Marae/Agencies
Project supported (by letter and/or participation) by local community

You may submit your application to the **CAYAD Coordinator** at any time. The application will then go to the **RAF Panel** who will respond within **four weeks** of receiving your completed application.

Successful applicants will be invited to meet with the **RAF Panel** to discuss outcomes of the project and the accountability process.

Funds will be paid within two weeks of successful applicants meeting with the **RAF Panel**.
